Grantor:	Bern Creek Improvement Association Inc 2831 Ringling Blvd, 218F Sarasota, FL 4236	Lender:	Sabal Palm Bank Sarasota Office 5101 Fruitville Road, Suite 100 Sarasota, FL 34232 (941) 361-1122
-----------------	---	----------------	---

THIS ASSIGNMENT OF DEPOSIT ACCOUNT dated March 22, 2011, is made and executed between Bern Creek Improvement Association Inc ("Grantor") and Sabal Palm Bank ("Lender").

ASSIGNMENT. For valuable consideration, Grantor assigns and grants to Lender a security interest in the Collateral, including without limitation the deposit accounts described below, to secure the Indebtedness and agrees that Lender shall have the rights stated in this Agreement with respect to the Collateral, in addition to all other rights which Lender may have by law.

COLLATERAL DESCRIPTION. The word "Collateral" means the following described deposit account ("Account"):

Savings Account Number 3002672 with Lender with an approximate balance of \$270,000.00

together with (A) all interest, whether now accrued or hereafter accruing; (B) all additional deposits hereafter made to the Account; (C) any and all proceeds from the Account; and (D) all renewals, replacements and substitutions for any of the foregoing.

In addition, the word "Collateral" includes all of Grantor's property (however owned if owned by more than one person or entity), in Lender's possession (or in the possession of a third party subject to Lender's control), whether existing now or later and whether tangible or intangible in character, including without limitation each and all of the following:

- (A) All property to which Lender acquires title or documents of title.
- (B) All property assigned to Lender.
- (C) All promissory notes, bills of exchange, stock certificates, bonds, savings passbooks, time certificates of deposit, insurance policies and all other instruments and evidences of an obligation.
- (D) All records relating to any of the property described in this Collateral section, whether in the form of writing, microfilm, microfiche, or electronic media.

RIGHT OF SETOFF. To the extent permitted by applicable law, Lender reserves a right of setoff in all Grantor's accounts with Lender (whether checking, savings, or some other account). This includes all accounts Grantor holds jointly with someone else and all accounts Grantor may open in the future. However, this does not include any IRA or Keogh accounts, or any trust accounts for which setoff would be prohibited by law. Grantor authorizes Lender, to the extent permitted by applicable law, to charge or setoff all sums owing on the Indebtedness against any and all such accounts.

GRANTOR'S REPRESENTATIONS AND WARRANTIES WITH RESPECT TO THE COLLATERAL. With respect to the Collateral, Grantor represents and promises to Lender that:

Ownership. Grantor is the lawful owner of the Collateral free and clear of all loans, liens, encumbrances, and claims except as disclosed to and accepted by Lender in writing.

Right to Grant Security Interest. Grantor has the full right, power, and authority to enter into this Agreement and to assign the Collateral to Lender.

No Prior Assignment. Grantor has not previously granted a security interest in the Collateral to any other creditor.

No Further Transfer. Grantor shall not sell, assign, encumber, or otherwise dispose of any of Grantor's rights in the Collateral except as provided in this Agreement.

No Defaults. There are no defaults relating to the Collateral, and there are no offsets or counterclaims to the same. Grantor will strictly and promptly do everything required of Grantor under the terms, conditions, promises, and agreements contained in or relating to the Collateral.

Proceeds. Any and all replacement or renewal certificates, instruments, or other benefits or proceeds related to the Collateral that are received by Grantor shall be held by Grantor in trust for Lender and immediately shall be delivered by Grantor to Lender to be held as part of the Collateral.

Validity; Binding Effect. This Agreement is binding upon Grantor and Grantor's successors and assigns and is legally enforceable in accordance with its terms.

Financing Statements. Grantor authorizes Lender to file a UCC financing statement, or alternatively, a copy of this Agreement to perfect Lender's security interest. At Lender's request, Grantor additionally agrees to sign all other documents that are necessary to perfect, protect, and continue Lender's security interest in the Property. Grantor will pay all filing fees, title transfer fees, and other fees and costs involved unless prohibited by law or unless Lender is required by law to pay such fees and costs. Grantor irrevocably appoints Lender to execute documents necessary to transfer title if there is a default. Lender may file a copy of this Agreement as a financing statement. If Grantor changes Grantor's name or address, or the name or address of any person granting a security interest under this Agreement changes, Grantor will promptly notify the Lender of such change.

LENDER'S RIGHTS AND OBLIGATIONS WITH RESPECT TO THE COLLATERAL. While this Agreement is in effect, Lender may retain the rights in possession of the Collateral, together with any and all evidence of the Collateral, such as certificates or passbooks. This Agreement will remain in effect until (a) there no longer is any Indebtedness owing to Lender; (b) all other obligations secured by this Agreement have been fulfilled; and (c) Grantor, in writing, has requested from Lender a release of this Agreement.

LENDER'S EXPENDITURES. If any action or proceeding is commenced that would materially affect Lender's interest in the Collateral or if Grantor fails to comply with any provision of this Agreement or any Related Documents, including but not limited to Grantor's failure to discharge or pay when due any amounts Grantor is required to discharge or pay under this Agreement or any Related Documents, Lender on Grantor's behalf may (but shall not be obligated to) take any action that Lender deems appropriate, including but not limited to discharging or paying all taxes, liens, security interests, encumbrances and other claims, at any time levied or placed on the Collateral and paying all costs for insuring, maintaining and preserving the Collateral. All such expenditures incurred or paid by Lender for such purposes will then bear interest at the rate charged under the Note from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses will become a part of the Indebtedness and, at Lender's option, will (A) be payable on demand; (B) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (1) the term of any applicable insurance policy; or (2) the remaining term of the Note; or (C) be treated as a balloon payment which will be due and payable at the Note's maturity. The Agreement also will secure payment of these amounts. Such right shall be in addition to all other rights and remedies to which Lender may be entitled upon Default.

LIMITATIONS ON OBLIGATIONS OF LENDER. Lender shall use ordinary reasonable care in the physical preservation and custody of any certificate or passbook for the Collateral but shall have no other obligation to protect the Collateral or its value. In particular, but without limitation, Lender shall have no responsibility (A) for the collection or protection of any income on the Collateral; (B) for the preservation of rights against issuers of the Collateral or against third persons; (C) for ascertaining any maturities, conversions, exchanges, offers, tenders, or similar matters relating to the Collateral; nor (D) for informing the Grantor about any of the above, whether or not Lender has or is deemed to have knowledge of such matters.

DEFAULT. Each of the following shall constitute an Event of Default under this Agreement:

Payment Default. Grantor fails to make any payment when due under the Indebtedness.

Other Defaults. Grantor fails to comply with or to perform any other term, obligation, covenant or condition contained in this Agreement or in any of the Related Documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Grantor.

Default in Favor of Third Parties. Grantor defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Grantor's property or ability to perform Grantor's obligations under this Agreement or any of the Related Documents.

False Statements. Any warranty, representation or statement made or furnished to Lender by Grantor or on Grantor's behalf under this Agreement or the Related Documents is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

Defective Collateralization. This Agreement or any of the Related Documents ceases to be in full force and effect (including failure of any collateral document to create a valid and perfected security interest or lien) at any time and for any reason.

Insolvency. The dissolution or termination of Grantor's existence as a going business, the insolvency of Grantor, the appointment of a receiver for any part of Grantor's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Grantor.

Creditor or Forfeiture Proceedings. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help repossession or any other method, by any creditor of Grantor or by any governmental agency against any collateral securing the Indebtedness. This includes a garnishment of any of Grantor's accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Grantor as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Grantor gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any guarantor, endorser, surety, or accommodation party of any of the Indebtedness or guarantor, endorser, surety, or accommodation party dies or becomes incompetent or revokes or disputes the validity of, or liability under, any Guaranty of the Indebtedness.

Adverse Change. A material adverse change occurs in Grantor's financial condition, or Lender believes the prospect of payment or performance of the Indebtedness is impaired.

Insecurity. Lender in good faith believes itself insecure.

RIGHTS AND REMEDIES ON DEFAULT. Upon the occurrence of an Event of Default, or at any time thereafter, Lender may exercise any one or more of the following rights and remedies, in addition to any rights or remedies that may be available at law, in equity, or otherwise:

Accelerate Indebtedness. Lender may declare all Indebtedness of Grantor to Lender immediately due and payable, without notice of any kind to Grantor.

Application of Account Proceeds. Lender may take directly all funds in the Account and apply them to the Indebtedness. Lender may apply any cash which is part of the Collateral, or which is received from the collection or sale of the Collateral, according to the schedule listed in the Florida Consumer Finance Act (Chapter 516). If the Account is subject to an early withdrawal penalty, that penalty shall be deducted from the Account before its application to the Indebtedness, whether the Account is with Lender or some other institution. Any excess funds remaining after application of the Account proceeds to the Indebtedness will be paid to Grantor as the interests of Grantor may appear. Grantor agrees, to the extent permitted by law, to pay any deficiency after application of the proceeds of the Account to the Indebtedness. Lender also shall have all the rights of a secured party under the Florida Uniform Commercial Code, even if the Account is not otherwise subject to such Code concerning security interests, and the parties to this Agreement agree that the provisions of the Code giving rights to a secured party shall nonetheless be a part of this Agreement.

Transfer Title. Lender may effect transfer of title upon sale of all or part of the Collateral. For this purpose, Grantor irrevocably appoints Lender as Grantor's attorney-in-fact to execute endorsements, assignments and instruments in the name of Grantor and each of them (if more than one) as shall

be necessary or reasonable.

Other Rights and Remedies. Lender shall have and may exercise any or all of the rights and remedies of a secured creditor under the provisions of the Florida Uniform Commercial Code, at law, in equity, or otherwise.

Deficiency Judgment. If permitted by applicable law, Lender may obtain a judgment for any deficiency remaining in the Indebtedness due to Lender after application of all amounts received from the exercise of the rights provided in this section.

Election of Remedies. Except as may be prohibited by applicable law, all of Lender's rights and remedies, whether evidenced by this Agreement or by any other writing, shall be cumulative and may be exercised singularly or concurrently. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Grantor under this Agreement, after Grantor's failure to perform, shall not affect Lender's right to declare a default and exercise its remedies.

Cumulative Remedies. All of Lender's rights and remedies, whether evidenced by this Agreement or by any other writing, shall be cumulative and may be exercised singularly or concurrently. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Grantor under this Agreement, after Grantor's failure to perform, shall not affect Lender's right to declare a default and to exercise its remedies.

MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Agreement:

Amendments. This Agreement, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Agreement. No alteration of or amendment to this Agreement shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

Attorneys' Fees; Expenses. Grantor agrees to pay upon demand all of Lender's costs and expenses, including Lender's reasonable attorneys' fees and Lender's legal expenses, incurred in connection with the enforcement of this Agreement. Lender may hire or pay someone else to help enforce this Agreement, and Grantor shall pay the costs and expenses of such enforcement. Costs and expenses include Lender's reasonable attorneys' fees and legal expenses whether or not there is a lawsuit, including reasonable attorneys' fees and legal expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services. Grantor also shall pay all court costs and such additional fees as may be directed by the court.

Caption Headings. Caption headings in this Agreement are for convenience purposes only and are not to be used to interpret or define the provisions of this Agreement.

Governing Law. This Agreement will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Florida without regard to its conflicts of law provisions. This Agreement has been accepted by Lender in the State of Florida.

No Waiver by Lender. Lender shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Agreement shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by Lender, nor any course of dealing between Lender and Grantor, shall constitute a waiver of any of Lender's rights or of any of Grantor's obligations as to any future transactions. Whenever the consent of Lender is required under this Agreement, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.

Notices. Any notice required to be given under this Agreement shall be given in writing, and shall be effective when actually delivered, when actually received by telefacsimile (unless otherwise required by law), when deposited with a nationally recognized overnight courier, or, if mailed, when deposited in the United States mail, as first class, certified or registered mail postage prepaid, directed to the addresses shown near the beginning of this Agreement. Any party may change its address for notices under this Agreement by giving written notice to the other parties, specifying that the purpose of the notice is to change the party's address. For notice purposes, Grantor agrees to keep Lender informed at all times of Grantor's current address. Unless otherwise provided or required by law, if there is more than one Grantor, any notice given by Lender to any Grantor is deemed to be notice given to all Grantors.

Power of Attorney. Grantor hereby appoints Lender as its true and lawful attorney-in-fact, irrevocably, with full power of substitution to do the following: (1) to demand, collect, receive, receipt for, sue and recover all sums of money or other property which may now or hereafter become due, owing or payable from the Collateral; (2) to execute, sign and endorse any and all claims, instruments, receipts, checks, drafts or warrants issued in payment for the Collateral; (3) to settle or compromise any and all claims arising under the Collateral, and in the place and stead of Grantor, to execute and deliver its release and settlement for the claim; and (4) to file any claim or claims or to take any action or institute or take part in any proceedings, either in its own name or in the name of Grantor, or otherwise, which in the discretion of Lender may seem to be necessary or advisable. This power is given as security for the Indebtedness, and the authority hereby conferred is and shall be irrevocable and shall remain in full force and effect until renounced by Lender.

Severability. If a court of competent jurisdiction finds any provision of this Agreement to be illegal, invalid, or unenforceable as to any circumstance, that finding shall not make the offending provision illegal, invalid, or unenforceable as to any other circumstance. If feasible, the offending provision shall be considered modified so that it becomes legal, valid and enforceable. If the offending provision cannot be so modified, it shall be considered deleted from this Agreement. Unless otherwise required by law, the illegality, invalidity, or unenforceability of any provision of this Agreement shall not affect the legality, validity or enforceability of any other provision of this Agreement.

Successors and Assigns. Subject to any limitations stated in this Agreement on transfer of Grantor's interest, this Agreement shall be binding upon and inure to the benefit of the parties, their successors and assigns. If ownership of the Collateral becomes vested in a person other than Grantor, Lender, without notice to Grantor, may deal with Grantor's successors with reference to this Agreement and the Indebtedness by way of forbearance or extension without releasing Grantor from the obligations of this Agreement or liability under the Indebtedness.

Survival of Representations and Warranties. All representations, warranties, and agreements made by Grantor in this Agreement shall survive the execution and delivery of this Agreement, shall be continuing in nature, and shall remain in full force and effect until such time as Grantor's Indebtedness shall be paid in full.

Time is of the Essence. Time is of the essence in the performance of this Agreement.

Waive Jury. All parties to this Agreement hereby waive the right to any jury trial in any action, proceeding, or counterclaim brought by any party against any other party. (Initial Here)

GRANT OF SECURITY INTEREST. For valuable consideration, Grantor grants to Lender a security interest in the Collateral to secure the Indebtedness and agrees that Lender shall have the rights stated in this Agreement with respect to the Collateral, in addition to all other rights which Lender may have by law.

COLLATERAL DESCRIPTION. The word "Collateral" as used in this Agreement means Grantor's present and future rights, title and interest in and to the following described investment property, together with any and all present and future additions thereto, substitutions therefor, and replacements thereof, and further together with all Income and Proceeds as described herein:

Security Interest in all road reserve funds paid and to be paid to the Grantor and the restricted road fund portion of all future assessments collected and to be collected and which will constitute at least \$286 per year, per member, of the Bern Creek Improvement Association, Inc.

RIGHT OF SETOFF. To the extent permitted by applicable law, Lender reserves a right of setoff in all Grantor's accounts with Lender (whether checking, savings, or some other account). This includes all accounts Grantor holds jointly with someone else and all accounts Grantor may open in the future. However, this does not include any IRA or Keogh accounts, or any trust accounts for which setoff would be prohibited by law. Grantor authorizes Lender, to the extent permitted by applicable law, to charge or setoff all sums owing on the Indebtedness against any and all such accounts.

REPRESENTATIONS AND WARRANTIES WITH RESPECT TO THE COLLATERAL. Grantor represents and warrants to Lender that:

Ownership. Grantor is the lawful owner of the Collateral free and clear of all security interests, liens, encumbrances and claims of others except as disclosed to and accepted by Lender in writing prior to execution of this Agreement.

Right to Pledge. Grantor has the full right, power and authority to enter into this Agreement and to pledge the Collateral.

Authority; Binding Effect. Grantor has the full right, power and authority to enter into this Agreement and to grant a security interest in the Collateral to Lender. This Agreement is binding upon Grantor as well as Grantor's successors and assigns, and is legally enforceable in accordance with its terms. The foregoing representations and warranties, and all other representations and warranties contained in this Agreement are and shall be continuing in nature and shall remain in full force and effect until such time as this Agreement is terminated or cancelled as provided herein.

No Further Assignment. Grantor has not, and shall not, sell, assign, transfer, encumber or otherwise dispose of any of Grantor's rights in the Collateral except as provided in this Agreement.

No Defaults. There are no defaults existing under the Collateral, and there are no offsets or counterclaims to the same. Grantor will strictly and promptly perform each of the terms, conditions, covenants and agreements, if any, contained in the Collateral which are to be performed by Grantor.

No Violation. The execution and delivery of this Agreement will not violate any law or agreement governing Grantor or to which Grantor is a party, and its certificate or articles of incorporation and bylaws do not prohibit any term or condition of this Agreement.

Financing Statements. Grantor authorizes Lender to file a UCC financing statement, or alternatively, a copy of this Agreement to perfect Lender's security interest. At Lender's request, Grantor additionally agrees to sign all other documents that are necessary to perfect, protect, and continue Lender's security interest in the Property. Grantor will pay all filing fees, title transfer fees, and other fees and costs involved unless prohibited by law or unless Lender is required by law to pay such fees and costs. Grantor irrevocably appoints Lender to execute documents necessary to transfer title if there is a default. Lender may file a copy of this Agreement as a financing statement. If Grantor changes Grantor's name or address, or the name or address of any person granting a security interest under this Agreement changes, Grantor will promptly notify the Lender of such change.

LENDER'S RIGHTS AND OBLIGATIONS WITH RESPECT TO THE COLLATERAL. Lender may hold the Collateral until all Indebtedness has been paid and satisfied. Thereafter Lender may deliver the Collateral to Grantor or to any other owner of the Collateral. Lender shall have the following rights in addition to all other rights Lender may have by law:

Maintenance and Protection of Collateral. Lender may, but shall not be obligated to, take such steps as it deems necessary or desirable to protect, maintain, insure, store, or care for the Collateral, including paying of any liens or claims against the Collateral. This may include such things as hiring other people, such as attorneys, appraisers or other experts. Lender may charge Grantor for any cost incurred in so doing. When applicable law provides more than one method of perfection of Lender's security interest, Lender may choose the method(s) to be used.

Income and Proceeds from the Collateral. Lender may receive all Income and Proceeds and add it to the Collateral. Grantor agrees to deliver to Lender immediately upon receipt, in the exact form received and without commingling with other property, all Income and Proceeds from the Collateral which may be received by, paid, or delivered to Grantor or for Grantor's account, whether as an addition to, in discharge of, in substitution of, or in exchange for any of the Collateral.

Application of Cash. At Lender's option, Lender may apply any cash, whether included in the Collateral or received as Income and Proceeds from the liquidation, sale, or retirement, of the Collateral, to the satisfaction of the Indebtedness or such portion thereof as Lender shall choose, whether or not matured.

Transactions with Others. Lender may (1) extend time for payment or other performance, (2) grant a renewal or change in terms or conditions, (3) compromise, compound or release any obligation, with any one or more Obligors, endorsers, or Guarantors of the Indebtedness as Lender deems advisable, without obtaining the prior written consent of Grantor, and no such act or failure to act shall affect Lender's rights against Grantor or the Collateral.

All Collateral Secures Indebtedness. All Collateral shall be security for the Indebtedness, whether the Collateral is located at one or more offices or branches of Lender. This will be the case whether or not the office or branch where Grantor obtained Grantor's loan knows about the Collateral or relies upon the Collateral as security.

Collection of Collateral. Lender at Lender's option may, but need not, collect the Income and Proceeds directly from the Obligors. Grantor authorizes and directs the Obligors, if Lender decides to collect the Income and Proceeds, to pay and deliver to Lender all Income and Proceeds from the Collateral and to accept Lender's receipt for the payments.

Power of Attorney. Grantor irrevocably appoints Lender as Grantor's attorney-in-fact, with full power of substitution, (a) to demand, collect, receive receipt for, sue and recover all Income and Proceeds and other sums of money and other property which may now or hereafter become due, owing or payable from the Obligors in accordance with the terms of the Collateral; (b) to execute, sign and endorse any and all instruments, receipts, checks drafts and warrants issued in payment for the Collateral; (c) to settle or compromise any and all claims arising under the Collateral, and in the place and stead of Grantor, execute and deliver Grantor's release and acquittance for Grantor; (d) to file any claim or claims or to take any action or institute or take part in any proceedings, either in Lender's own name or in the name of Grantor, or otherwise, which in the discretion of Lender may seem to be necessary or advisable; and (e) to execute in Grantor's name and to deliver to the Obligors on Grantor's behalf, at the time and in the manner specified by the Collateral, any necessary instruments or documents.

Perfection of Security Interest. Upon Lender's request, Grantor will deliver to Lender any and all of the documents evidencing or constituting the Collateral. When applicable law provides more than one method of perfection of Lender's security interest, Lender may choose the method(s) to be used. Upon Lender's request, Grantor will sign and deliver any writings necessary to perfect Lender's security interest. Grantor hereby appoints Lender as Grantor's irrevocable attorney-in-fact for the purpose of executing any documents necessary to perfect, amend, or to continue the security interest granted in this Agreement or to demand termination of filings of other secured parties.

LENDER'S EXPENDITURES. If any action or proceeding is commenced that would materially affect Lender's interest in the Collateral or if Grantor fails to comply with any provision of this Agreement or any Related Documents, including but not limited to Grantor's failure to discharge or pay when due any amounts Grantor is required to discharge or pay under this Agreement or any Related Documents, Lender on Grantor's behalf may (but shall not be obligated to) take any action that Lender deems appropriate, including but not limited to discharging or paying all taxes, liens, security interests, encumbrances and other claims, at any time levied or placed on the Collateral and paying all costs for insuring, maintaining and preserving the Collateral. All such expenditures incurred or paid by Lender for such purposes will then bear interest at the rate charged under the Note from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses will become a part of the Indebtedness and, at Lender's option, will (A) be payable on demand; (B) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (1) the term of any applicable insurance policy; or (2) the remaining term of the Note; or (C) be treated as a balloon payment which will be due and payable at the Note's maturity. The Agreement also will secure payment of these amounts. Such right shall be in addition to all other rights and remedies to which Lender may be entitled upon Default.

LIMITATIONS ON OBLIGATIONS OF LENDER. Lender shall use ordinary reasonable care in the physical preservation and custody of the Collateral in Lender's possession, but shall have no other obligation to protect the Collateral or its value. In particular, but without limitation, Lender shall have no responsibility for (A) any depreciation in value of the Collateral or for the collection or protection of any Income and Proceeds from the Collateral, (B) preservation of rights against parties to the Collateral or against third persons, (C) ascertaining any maturities, calls, conversions, exchanges, offers, tenders, or similar matters relating to any of the Collateral, or (D) informing Grantor about any of the above, whether or not Lender has or is deemed to have knowledge of such matters. Except as provided above, Lender shall have no liability for depreciation or deterioration of the Collateral.

DEFAULT. Each of the following shall constitute an Event of Default under this Agreement:

Payment Default. Grantor fails to make any payment when due under the Indebtedness.

Other Defaults. Grantor fails to comply with or to perform any other term, obligation, covenant or condition contained in this Agreement or in any of the Related Documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Grantor.

Default in Favor of Third Parties. Grantor defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Grantor's property or ability to perform Grantor's obligations under this Agreement or any of the Related Documents.

False Statements. Any warranty, representation or statement made or furnished to Lender by Grantor or on Grantor's behalf under this Agreement or the Related Documents is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

Defective Collateralization. This Agreement or any of the Related Documents ceases to be in full force and effect (including failure of any collateral document to create a valid and perfected security interest or lien) at any time and for any reason.

Insolvency. The dissolution or termination of Grantor's existence as a going business, the insolvency of Grantor, the appointment of a receiver for any part of Grantor's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Grantor.

Creditor or Forfeiture Proceedings. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Grantor or by any governmental agency against any collateral securing the Indebtedness. This includes a garnishment of any of Grantor's accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Grantor as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Grantor

gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any guarantor, endorser, surety, or accommodation party of any creditor of the Indebtedness or guarantor, endorser, surety, or accommodation party dies or becomes incompetent or revokes or disputes the validity of, or liability under, any Guaranty of the Indebtedness.

Adverse Change. A material adverse change occurs in Grantor's financial condition, or Lender believes the prospect of payment or performance of the Indebtedness is impaired.

Insecurity. Lender in good faith believes itself insecure.

RIGHTS AND REMEDIES ON DEFAULT. If an Event of Default occurs under this Agreement, at any time thereafter, Lender may exercise any one or more of the following rights and remedies:

Accelerate Indebtedness. Declare all Indebtedness, including any prepayment penalty which Grantor would be required to pay, immediately due and payable, without notice of any kind to Grantor.

Collect the Collateral. Collect any of the Collateral and, at Lender's option and to the extent permitted by applicable law, retain possession of the Collateral while suing on the Indebtedness.

Sell the Collateral. Sell the Collateral, at Lender's discretion, as a unit or in parcels, at one or more public or private sales. Unless the Collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, Lender shall give or mail to Grantor, and other persons as required by law, notice at least ten (10) days in advance of the time and place of any public sale, or of the time after which any private sale may be made. However, no notice need be provided to any person who, after an Event of Default occurs, enters into and authenticates an agreement waiving that person's right to notification of sale. Grantor agrees that any requirement of reasonable notice as to Grantor is satisfied if Lender mails notice by ordinary mail addressed to Grantor at the last address Grantor has given Lender in writing. If a public sale is held, there shall be sufficient compliance with all requirements of notice to the public by a single publication in any newspaper of general circulation in the county where the Collateral is located, setting forth the time and place of sale and a brief description of the property to be sold. Lender may be a purchaser at any public sale.

Sell Securities. Sell any securities included in the Collateral in a manner consistent with applicable federal and state securities laws. If, because of restrictions under such laws, Lender is unable, or believes Lender is unable, to sell the securities in an open market transaction, Grantor agrees that Lender will have no obligation to delay sale until the securities can be registered. Then Lender may make a private sale to one or more persons or to a restricted group of persons, even though such sale may result in a price that is less favorable than might be obtained in an open market transaction. Such a sale will be considered commercially reasonable. If any securities held as Collateral are "restricted securities" as defined in the Rules of the Securities and Exchange Commission (such as Regulation D or Rule 144) or the rules of state securities departments under state "Blue Sky" laws, or if Grantor or any other owner of the Collateral is an affiliate of the issuer of the securities, Grantor agrees that neither Grantor, nor any member of Grantor's family, nor any other person signing this Agreement will sell or dispose of any securities of such issuer without obtaining Lender's prior written consent.

Foreclosure. Maintain a judicial suit for foreclosure and sale of the Collateral.

Transfer Title. Effect transfer of title upon sale of all or part of the Collateral. For this purpose, Grantor irrevocably appoints Lender as Grantor's attorney-in-fact to execute endorsements, assignments and instruments in the name of Grantor and each of them (if more than one) as shall be necessary or reasonable.

Other Rights and Remedies. Have and exercise any or all of the rights and remedies of a secured creditor under the provisions of the Uniform Commercial Code, at law, in equity, or otherwise.

Application of Proceeds. Apply any cash which is part of the Collateral, or which is received from the collection or sale of the Collateral, to reimbursement of any expenses, including any costs for registration of securities, commissions incurred in connection with a sale, reasonable attorneys' fees and court costs, whether or not there is a lawsuit and including any fees on appeal, incurred by Lender in connection with the collection and sale of such Collateral and to the payment of the Indebtedness of Grantor to Lender, with any excess funds to be paid to Grantor as the interests of Grantor may appear. Grantor agrees, to the extent permitted by law, to pay any deficiency after application of the proceeds of the Collateral to the Indebtedness.

Election of Remedies. Except as may be prohibited by applicable law, all of Lender's rights and remedies, whether evidenced by this Agreement, the Related Documents, or by any other writing, shall be cumulative and may be exercised singularly or concurrently. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Grantor under this Agreement, after Grantor's failure to perform, shall not affect Lender's right to declare a default and exercise its remedies.

MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Agreement:

Amendments. This Agreement, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Agreement. No alteration of or amendment to this Agreement shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

Attorneys' Fees; Expenses. Grantor agrees to pay upon demand all of Lender's costs and expenses, including Lender's reasonable attorneys' fees and Lender's legal expenses, incurred in connection with the enforcement of this Agreement. Lender may hire or pay someone else to help enforce this Agreement, and Grantor shall pay the costs and expenses of such enforcement. Costs and expenses include Lender's reasonable attorneys' fees and legal expenses whether or not there is a lawsuit, including reasonable attorneys' fees and legal expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services. Grantor also shall pay all court costs and such additional fees as may be directed by the court.

Caption Headings. Caption headings in this Agreement are for convenience purposes only and are not to be used to interpret or define the provisions of this Agreement.

Governing Law. This Agreement will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the

laws of the State of Florida without regard to its conflicts of law provisions. This Agreement has been accepted by Lender in the State of Florida.

No Waiver by Lender. Lender shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Agreement shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with the provision or any other provision of this Agreement. No prior waiver by Lender, nor any course of dealing between Lender and Grantor, shall constitute a waiver of any of Lender's rights or of any of Grantor's obligations as to any future transactions. Whenever the consent of Lender is required under this Agreement, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.

Notices. Any notice required to be given under this Agreement shall be given in writing, and shall be effective when actually delivered, when actually received by telefacsimile (unless otherwise required by law), when deposited with a nationally recognized overnight courier, or, if mailed, when deposited in the United States mail, as first class, certified or registered mail postage prepaid, directed to the addresses shown near the beginning of this Agreement. Any party may change its address for notices under this Agreement by giving written notice to the other parties, specifying that the purpose of the notice is to change the party's address. For notice purposes, Grantor agrees to keep Lender informed at all times of Grantor's current address. Unless otherwise provided or required by law, if there is more than one Grantor, any notice given by Lender to any Grantor is deemed to be notice given to all Grantors.

Severability. If a court of competent jurisdiction finds any provision of this Agreement to be illegal, invalid, or unenforceable as to any circumstance that finding shall not make the offending provision illegal, invalid, or unenforceable as to any other circumstance. If feasible, the offending provision shall be considered modified so that it becomes legal, valid and enforceable. If the offending provision cannot be so modified, it shall be considered deleted from this Agreement. Unless otherwise required by law, the illegality, invalidity, or unenforceability of any provision of this Agreement shall not affect the legality, validity or enforceability of any other provision of this Agreement.

Successors and Assigns. Subject to any limitations stated in this Agreement on transfer of Grantor's interest, this Agreement shall be binding upon and inure to the benefit of the parties, their successors and assigns. If ownership of the Collateral becomes vested in a person other than Grantor Lender, without notice to Grantor, may deal with Grantor's successors with reference to this Agreement and the Indebtedness by way of forbearance or extension without releasing Grantor from the obligations of this Agreement or liability under the Indebtedness.

Time is of the Essence. Time is of the essence in the performance of this Agreement.

Waive Jury. All parties to this Agreement hereby waive the right to any jury trial in any action, proceeding, or counterclaim brought by any party against any other party. (Initial Here )

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note: If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note: If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

The following payees are exempt from backup withholding:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),
2. The United States or any of its agencies or instrumentalities,
3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,
4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or
5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

6. A corporation,
7. A foreign central bank of issue,
8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,
9. A futures commission merchant registered with the Commodity Futures Trading Commission,
10. A real estate investment trust,
11. An entity registered at all times during the tax year under the Investment Company Act of 1940,
12. A common trust fund operated by a bank under section 584(a),
13. A financial institution,
14. A middleman known in the investment community as a nominee or custodian, or
15. A trust exempt from tax under section 664 or described in section 4947.

Payments over \$600 required to be reported and direct sales over \$5,000 ¹	Generally, exempt recipients 1 through 7 ²

¹ See Form 1099-MISC, Miscellaneous Income, and its instructions.

² However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees; and payments for services paid by a federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see **How to get a TIN** below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see **Limited liability company (LLC)** on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting www.irs.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt recipients, see **Exempt From Backup Withholding** on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

AGREEMENT WAIVING RIGHT TO JURY TRIAL

THIS AGREEMENT is made and entered into as of this 22nd day of March, 2011, between **SABAL PALM BANK** ("Bank"), and **Bern Creek Improvement Association, Inc., a Florida non-profit corporation** (the "Borrower").

STATEMENT OF FACT

A. Lender is this day making a loan to Borrower in the amount of **One Hundred Eighty Thousand & 00/100 DOLLARS (\$180,000.00)** (the "Loan").

B. In connection with the Loan, Borrower has executed and delivered to Bank that certain Note and Borrower has delivered to Bank a Pledge Agreement, Assignment of Deposit Account, and one or more of the parties hereto have executed and delivered and/or accepted certain other loan documents (the "Loan Documents").

C. The Bank and Borrower recognize that the Loan is a relatively complex business transaction, that the Loan Documents are relatively lengthy and technical in nature and may be susceptible to misinterpretation if isolated provisions are the subject of review, and that in the event of any dispute as to the rights and obligations of the parties under the Loan Documents and otherwise with respect to the Loan, a judge, rather than a jury, would be the most efficient and best qualified trier of fact. Accordingly, the Bank and Borrower desire to waive their respective rights to Jury trial with respect to any litigation or other legal proceeding based on any Loan Document, or arising out of, under or in connection with any Loan Document or the Loan.

AGREEMENTS:

NOW, THEREFORE, for and in consideration of the mutual covenants and promises of the parties hereto, and in further consideration of the sum of Ten (\$10) Dollars and other good and valuable consideration in hand paid by each party hereto to the other, the receipt and sufficiency of such consideration being hereby mutually acknowledged, the Bank and Borrower hereby agree as follows:

1. The foregoing recitals are true and correct and are hereby incorporated into this Agreement.
2. The Bank and Borrower each knowingly, voluntarily, and intentionally waives any right it may have to a trial by jury, with respect to any litigation or legal proceedings based on, or arising out of the Note, Pledge Agreement, Assignment of Deposit Account or other Loan Document, including any course of conduct, course of dealings, verbal or written statements, or actions or omissions of any party which in any way relates to the Loan. The parties hereto have specifically discussed and negotiated this waiver and understand the legal consequences of signing this Agreement.
3. This waiver by Borrower is a material inducement for the Bank's making of the Loan, and the Bank's waiver is a material inducement for Borrower's acceptance of the Loan and for Borrower's giving the Note, Pledge Agreement and other Loan Documents.
4. At a party's request, the other parties will join in asking the court in which suit is pending to try the case and decide all issues, including issues of fact, without a jury.
5. Notwithstanding the narrower definition ascribed to the term "Loan" above, the term "Loan" as used in this Agreement will include, without limitation, any future advances, modifications, renewals, extensions, and refinancings of the loan described in the recitals.

6. If for any reason the waivers set forth in paragraph 2 are declared or found by a court of competent jurisdiction to be invalid, illegal or unenforceable, and any litigation or other legal proceeding relating to or arising in connection with the Loan is in fact conducted before an impaneled jury, each party hereto agrees that it will not seek to have this Agreement or the existence thereof admitted into evidence with respect to such litigation or other legal proceeding. The parties hereto acknowledge that damages are an inadequate remedy for any breach of the covenant set forth in the preceding sentence and, therefore, such covenant shall be subject to enforcement by injunctive relief without the need to demonstrate the inadequacy of monetary damages.

7. If any one or more of the provisions contained in this Agreement is declared or found by a court of competent jurisdiction to be invalid, illegal or unenforceable, such provision or portion thereof shall be deemed stricken and severed and the remaining provisions thereof shall continue in full force and effect.

8. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective agents, officers, directors, heirs, legal and personal representatives, successors and assigns.

9. The validity, meaning and effect of this Agreement shall be determined as provided by the law of the State of Florida applicable to agreements made and to be performed in the State of Florida.

The parties hereto have executed this Agreement on or as of the date first above written.

RESOLUTION OF BOARD OF DIRECTORS OF BERN CREEK IMPROVEMENT
ASSOCIATION, INC., a Florida corporation

WHEREAS, the undersigned constitute all of the Board of Directors (the "Board") of BERN CREEK IMPROVEMENT ASSOCIATION, INC., a Florida corporation (the "Association"); and

WHEREAS, the Board of the Association, by unanimous consent in writing, wish to authorize and approve certain borrowings from Sabal Palm Bank ("Lender") all in the manner set forth below; and

WHEREAS, the Directors have determined that it is in the best interest of the Association, and pursuant to the powers of the Association and the Board, to approve such loan, all in the manner set forth herein.

NOW, THEREFORE, it is

RESOLVED, that the Association borrow from Lender, the sum of One Hundred Eighty Thousand Dollars (\$180,000.00), bearing interest at 6.75% for the first five years of the loan, then variable annually based upon the one-year treasury index plus 3.25%, but with a floor interest rate of 6% per annum. The loan will be secured by a lien and pledge of various assets and receivables of the Association as well as a pledge of all existing road reserve funds (which funds will be held in a pledged account with Lender), and a pledge of all future road reserve funds collected and to be collected (which will also be paid into the pledged deposit account with Lender); and it was

FURTHER RESOLVED that the said loan from Lender is proper and necessary and in the best interest of the Association; and that the Board be and are authorized and instructed to execute any required loan and pledge documents by the Lender in order to properly evidence and secure the loan, said loan documents may include but not be limited to a Promissory Note, Security Agreement, UCC-1, Collateral Assignment, Pledge Agreement and such other documents that may be required by Lender; and it was

FURTHER RESOLVED, that the borrowing from Lender is for the sole purpose of funding the road paving project with Superior Asphalt, Inc., as described on the bid quotation annexed to this resolution as Exhibit A, the cost of said project to be first funded from the Association's existing road reserve fund and any road reserve amounts collected from its members prior to the completion of the project, and the balance of which, up to the loan amount of \$180,000, to be funded through the subject loan; as it is anticipated that the regular restricted road portion of each member's homeowners dues will repay the said loan from Lender; and it was

FURTHER RESOLVED, that the Board shall continue to have the power to enforce the payment of all regular and special dues and assessments owed by the members, and that the amounts owed to Lender shall be deemed a valid Association expense, subject to the Association's ability to further enforce or assess said costs against each member; and that it was

FURTHER RESOLVED, that this Resolution has been validly adopted by unanimous consent of the Directors of the Association; and it was

FURTHER RESOLVED, that any interested party may rely upon a copy of this Resolution as evidence of the authority of the Board of the Association to act in the foregoing, and that said copy of this Resolution shall be conclusive evidence that this Resolution stands unimpaired and unrevoked; and it was

FURTHER RESOLVED, that the Association is in good standing with the State of Florida and has not been dissolved and no proceeding is pending for dissolution; and it was

FURTHER RESOLVED, that this Resolution may be executed in one or more counterparts, each of which shall be deemed an original for all purposes and all of which together shall constitute one in the same Resolution, and that this Resolution may be effected by a written facsimile signature of each of the Directors.

IN WITNESS WHEREOF, the undersigned have affixed their signatures on behalf of the Board of the Association, as of the ___ day of March, 2011.
